At Teck, we value diversity. Our teams work collaboratively and respect each person's unique perspective and contribution.

Employees with a range of backgrounds and perspectives can help build a stronger company, and at Teck, this belief is at the heart of our commitment to building a diverse workforce. Teck Highland Valley Copper Partnership (THVCP) hires on the basis of merit and is strongly committed to equity and diversity within its community. We especially welcome applications from women, Aboriginal persons and others with the skills and knowledge to productively engage with diverse communities.

Teck Highland Valley Copper Partnership (THVCP) is one of Canada's largest base metal copper-moly mines and is owned and operated by Teck Resources. The Highland Valley is a very attractive location offering a wide variety of recreational opportunities such as hiking, skiing, fishing and golf. The mine site is a 50 minute drive from Kamloops, BC which has a population of approximately 85,000 and provides all of the comforts of city living. The mine site is also close to Merritt, Ashcroft, and Logan Lake which all exude a small town community atmosphere.
